

CHRISTMAS PRESENTATION
2023

...

CHRISTMAS

As a society, we don't realise the power an experience holds as it's happening. As we go through life, we forget to pause and appreciate the moments. This is even more prevalent during the run-up to Christmas. Though it's supposed to be a time of good cheer, relaxation and celebration, for many it's a time of stressful shopping trips and lavish, long dinner preparations – piled on top of life's regular struggles. This leaves little time to enjoy and mindfully prepare for the special ending of the year.

Rituals offers a wide selection of perfectly wrapped, luxury gift sets to help the hotel guest make more time to be in the moment, rather than traipsing across the city trying to find gifts for everyone on their list. Our Press Pause campaign helps raise awareness and reminds the guests of the importance of cherishing the moment— before it becomes a distant memory.

This year's innovative origami gifting solutions bring to life the power of thoughtful gifting, serving as a reminder that by giving others your full attention, in the moment, as you're with them, you're able to enjoy, appreciate, experience and cherish the time you spend together.
